Missions Spotlight – Jon and Larisa Zwingel | Dominican Repub.

Friends,

We would like to ask you to please pray for our daughter Kristina who is eleven years old.

As some of you know, she was born with a number of issues, mentally and physically. She was also born with only one kidney. In turn we are always having to keep an eye on it because of infections. For a number of years she has had issues and we are thankful we were able to have any infection taken away with certain medications. However, this time

medications are not working and we are now in the process of taking her to the hospital. We believe this to be very serious and of course we rely on the Lord for everything.

Please pray for Kristina. Pray for Larisa my wife who will be staying with her and for the doctors to have wisdom. I will do my best to keep you posted as you so desire. Thank you and may the Lord bless you,

In Christ alone,

Jon Zwingel

"If Jesus rose from the dead, then you have to accept all that he said; if he didn't rise from the dead, then why worry about any of what he said? The issue on which everything hangs is not whether or not you like his teaching but whether or not he rose from the dead."
